NEWS AND ANNOUNCEMENTS

As the weather continues to change, we step into the heartwarming month of November. November is the month of giving thanks. We're thankful for each of our families, dedicated staff, and our participants. With Thanksgiving just around the corner, we are excited to embark on a month filled with opportunities for exploration, and celebration. Together, we'll continue to foster a safe, fun, and learning environment at the Mobi's Ark Therapeutic Center. This month we are going to focus on things that we are thankful for. We will be creating different crafts, taking a nature walk to learn about the changing of seasons, and building social skills with peers and staff. We will end the month with our Gobbler Gathering. More details to come.

We are excited to announce that Renoxx now offers Behavioral Health Services. Please see attachment for your reference. November is known for many awareness observances, including National Family Caregivers Month that acknowledges the efforts of caregivers. Hunger and Homelessness Awareness Month raises awareness about issues of hunger and homelessness. Veterans Day honors those who have served in the armed forces. National Diabetes Month which focuses on public health awareness about diabetes and preventing related health problems, and World Kindness Day promotes acts of kindness.
